### Reminders

#### RTI during Navigation

Navigation, a daily 30-minute class period from 8:55 a.m. to 9:25 a.m., is designed to provide extra support for all students. On alternating weeks, English and Math teachers will work with students who haven't mastered key skills.

#### End of Day Check-out

The latest a student can be checked out is 3:05 p.m. This policy helps ensure they aren't marked absent for 7th period and allows our office to run more efficiently.
