

Cabot Public School District Mountain Springs Elementary School Improvement Plan

Mission Statement: At Mountain Springs Elementary, growth is expected and ALL will learn!

Priority #1	
Improvement Plan Focus Area: Science Of Reading To increase 3rd and 4th-grade reading proficiency to 90% proficient , 100% of MSE teachers will utilize the <u>Science of Reading</u> and implement the skills learned to produce high phonemic awareness and phonics skills for students in their classrooms through high participation in the PLC process driven by classroom assessment data and use of the following curriculum: UFLI, Wit and Wisdom (Great Minds), Equipped for Reading Success, and Kilpatrick.	
Priority Area: <i>Based on the identified focus area, what issue needs to be addressed to achieve the goal?</i> Teachers will implement and follow RISE initiatives and UFLI with fidelity. Students not on grade level on progress monitoring assessments will be targeted with intervention specific to the current research and focused only on essential standards that promote blending.	Team Member(s) Responsible: Macy Welch Sarah Camp Jennifer Bradley Ashley Missman
Desired Outcome: <i>When fully implemented, what will be different as a result of addressing this priority?</i> Student achievement will increase in the areas of encoding, decoding, writing, and reading comprehension. The goal is for all capable students to enter 3rd Grade reading on grade level.	

Root Cause(s): *What is the heart of the issue? What evidence supports this conclusion?*

The purpose for this goal is to address gaps in literacy achievement due to learning loss. Reading proficiency has been measured by the ATLAS assessments, Phonics First assessments, and running records. We have focused on phonemic awareness skills that might not be as important as blending and decoding in our small group interventions.

Winter 2025 ELA Interim Data:

35% of 3rd Grade students scored proficient/exceeding

44% of 4th Grade students scored proficient/exceeding

Winter 2025 ELA Interim Data:

53% of 3rd Grade students scored proficient/exceeding

53% of 4th Grade students scored proficient/exceeding

[MSE Literacy Data Wall](#)

Alignment to District Core Belief:

Literacy Instruction is crucial to academic success and we will accomplish literacy goals by addressing the science of reading.

Priority #1 Actions				
Action to Address the Root Cause & Outcomes	Team Member(s) Responsible	Timeline	Resources and/or Funding(include fund source)	Progress Monitoring Data
UFLI and Structures will be implemented in all classrooms.	Macy Welch Sarah Camp	Ongoing	UFLI Teaching Resources Training for new staff members	Literacy Assessments- Letter ID- encoding and decoding, Sounds assessment- encoding and decoding, Layer assessments- encoding and decoding, Red word Assessment
All teachers lacking the proper certification will attend RISE training in the Science of Reading.	Macy Welch Sarah Camp	Yearly	District & State Funding	Certificate of Completion
All grades will unpack the Arkansas Literacy standards and implement	Macy Welch Sarah Camp	Ongoing	Wit and Wisdom teacher manuals, Geodes,UFLI	Unit Assessments Common Formative

research based, state approved Literacy Curriculum with fidelity to address each one at the proper depth of knowledge.			curriculum, Heggerty/Kilpatrick lessons, Cabot Curriculum Google Site	Assessments DIBELS 8
Teachers will be continually be monitored on RISE implementation/Science of Reading methods and assessed as needed	Macy Welch Sarah Camp	Ongoing	Administrators have completed RISE Assessor training	RISE observation checklist & Look Fors to show continued proficiency SOR SmartCard K-2 SOR Smart Card 3-6 SOR Look Fors
Provide intervention for at-risk students	Ashley Missman Sarah Camp Jennifer Bradley	Ongoing	UFLI Take Flight- Tier 2 Tier 3 Sonday System Reading Interventionist position for Tier 3 interventions Reading A-Z - \$2394.00	Phonics encoding checks/decoding checks, running records, IXL level reports, ATLAS interim reports
Parents will be informed of the State's 3rd grade reading law in grades K-3 and will be provided an explanation during parent teacher conferences about the ATLAS levels and how the test works. Extra practice will be sent home with all learners to promote reading fluency.	Jennifer Bradley Sarah Camp Ashley Missman MSE FACE Plan link	April 2026	Printable reading passage with comprehension questions, parent friendly reports on state interims and reading levels, scheduled conferences to discuss reading progress	Continued tracking of fluency checks and comprehension quizzes in grades 2-3, application of foundational skills assessments in 1st Grade.
Activity teachers without a grade level class will intervene in K-1 to promote mastery of letters/sounds	Sarah Camp Kim Howey	August 2025- May 2026	Intervention kits managed by Mrs. Welch/classroom teachers	Letter ID/Sounds assessments
3rd and 4th Grade teachers will use the ATLAS classroom tool to engage students on test formatted questions that align with our standards	Jennifer Bradley Sarah Camp	Ongoing	Access to ATLAS website (free)	Score reports from ATLAS portal

Teachers will use the Performance Level Descriptors to make sure Level 3 and 4 learning is provided. Teachers will also aim for higher level depth of knowledge questioning	Macy Welch	Ongoing	Copy of PLDs released by DESE DOK levels and support documents	Score reports from ATLAS portal
--	------------	---------	---	---------------------------------

Priority #2	
Improvement Plan Focus Area: Increase Student Achievement In an effort to increase all student achievement in the area of mathematics to an average of 80% proficiency for each grade level, 100% of MSE staff will use Illustrative Mathematics and other math-based resources to promote student success through high participation in the PLC process and use of the following curriculum: Illustrative Mathematics.	
Priority Area: <i>Based on the identified focus area, what issue needs to be addressed to achieve the goal?</i> Students need more independent practice with skills than our curriculum provides and more repeated opportunities to be exposed to Level 3 and 4 tasks according to the performance level descriptors.	Team Member(s) Responsible: Macy Welch Sarah Camp Jennifer Bradley
Desired Outcome: <i>When fully implemented, what will be different as a result of addressing this priority?</i> Increased student achievement will be measured by growth on the ATLAS assessments and IM common formative assessments.	
Root Cause(s): <i>What is the heart of the issue? What evidence supports this conclusion?</i> Students have not received as much intervention in mathematics as reading in the past, creating deficits. Winter 2026 Interim Math Data: 56% of 3rd grade students scored proficient/exceeding (last year at this time we were 35%) 61% of 4th grade students scored proficient/exceeding (last year at this time we were 53%) MSE Math Data Wall	

Alignment to District Core Belief:
High-performing, academic success is one of our top priorities.

Priority #2 Actions				
Action to Address the Root Cause & Outcomes	Team Member(s) Responsible	Timeline	Resources and/or Funding(include fund source)	Progress Monitoring Data
Teachers will utilize Class Tool and GIZMOS	Sarah Camp Jennifer Bradley	Ongoing	ATLAS Class Tool- common assessments in state testing format	-Class Tool Assessment percentages
Proficiency Scales will be used to monitor student achievement.	Classroom Teachers/Guiding Coalition members	Ongoing	Interim Assessments PLC created Common assessments	<u>Proficiency Reports</u> ATLAS scores <u>Reading Fluency Reports</u>
Cabot Math Block Time will include time for student extensions/interventions.	Macy Welch Sarah Camp	Ongoing	Cabot Math Block K-2 Cabot Math Block 3-6	Atlas Interim Data CFAs
All teachers will continue the implementation of the Cabot board adopted Illustrative Math curriculum, while also using credible sources for extra student practice	Macy Welch Sarah Camp Team Leads	Ongoing	District Funded Professional Development Math Coach Support <u>DESE AR K-5 Math Standards</u>	Classroom Observations PLC Meetings Unit Checks in IM QuEST observations
Teachers will utilize IXL to monitor student growth on math standards and extend learning	Jennifer Bradley Sarah Camp	Ongoing	District Funded	The Arena Data smart scores
