

## **Cabot High School Advanced Placement Academy Application**

Cabot High School's Advanced Placement (AP) Academy is designed to support students in grades nine through twelve who wish to enroll in college preparatory coursework emphasizing academic rigor. The main purpose of the AP Academy is to encourage AP participation and prepare students for academic success at colleges and universities. The AP Academy offers a relevant and challenging educational experience which emphasizes critical/creative problem-solving, effective communication, and community service. It also provides an intellectual and social community where students work together with faculty to explore how knowledge can be integrated across disciplinary lines.

Admittance into the AP Academy is by application. Students who enter into the program should be prepared to accept the academic challenge inherent in AP coursework. Specifically, students applying should:

- Exhibit a proven high level of interest in all subject matter and be motivated to learn and participate in classroom discussions.
- Possess the background and academic preparation required for AP coursework.
- Demonstrate the characteristics of maturity, self-discipline, persistence, and independence required for successful performance in the AP Academy.

Students who participate in the AP Academy will have the opportunity to earn academic designations including: AP Scholar, AP Scholar with Honor, AP Scholar with Distinction, and AP National Scholar. Upon graduation, they will receive an AP Academy seal affixed to their diploma and an AP Academy cord to adorn their cap and gown.

### **Advanced Placement (AP)**

Advanced Placement (AP) courses allow students to take college-level courses while in high school. The College Board develops the scope and sequence of AP courses and provides training for teachers. Students who enroll in AP courses have the opportunity to take a national AP examination in May of each year. Students receive a score on a scale from 1 to 5, with a score of 3 or higher considered an indicator of college-level achievement. Students who do well on AP exams may receive college credit or advanced standing at a college or university.

### **Honors Placement**

Honors courses prepare students for the rigor of college-level AP coursework. They move at a faster pace, focus on challenging content, and require additional work outside the normal class day. Students must be willing to invest more time and effort into these courses to meet a higher level of expectations.

### **AP Academy Graduation Requirements**

- Students must complete Cabot High School's honors graduation requirements which include a cumulative GPA of at least 3.5.
- Students must complete eight (8) Honors and/or AP courses in which the student received high school credit. Three (3) of the eight (8) courses must be at the AP level.
- Students must complete a community service project, approved by the Secondary G/T Coordinator, prior to the end of the first semester of the senior year (25 hour minimum).
- Students must complete 5 hours of AP Academy community service per year (15 hours total during grades 10 through 12).
- Students shall miss no more than three (3) AP Academy meetings per school year

### **AP Academy Student Services**

- Guidance with sequencing of Honors/AP course selections
- Assistance with maintaining a student portfolio
- Guidance regarding the implementation of a community service project
- Information concerning college selection and scholarship opportunities
- Assistance with the completion of college admission and scholarship applications
- Support with college scholarships through direct contact with admission and finance officers

### STATEMENT OF INTENT

I have read the Advanced Placement Academy information and commit my full support to my child's participation. I understand that meeting the eligibility requirement does not insure admission to the program and that the decision of the selection committee will be final. **If my child is accepted to the program, I agree to support his/her participation for at least one year.**

I will insure that my child has uninterrupted study time daily and will supervise the use of the study time in the most productive way. I will also commit my support to the Advanced Placement Academy teachers by following their guidance regarding further study in order to insure my child's successful completion of the program he/she has chosen.
