		τ									Poli cy?
Ark 6.07.1.1 Include in the local Wellness Policy, goals for nutrition education,			Х								#2
physical activity, and other school based activities that are designed to											
promote student wellness in a manner that the LEA determines is appropriate											
(may have standards in the Wellness Policy and annually updated goals in the											
ACSIP School Form)											
Ark 6.07.1.2 Include in the local Wellness Policy, nutrition guidelines selected			X								#6, 8,
by the LEA for all foods available (both sold and provided) on each school											9, 10,
campus under the LEA during the school day with the objectives of promoting											11,
student health and reducing childhood obesity											12, 13
Ark 6.07.1.3 Include in the local Wellness Policy, guidelines for reimbursable			X								#12
meals, which are no less restrictive than regulations and guidance issued by											
USDA											
Ark 6.07.1.4 Include in the local Wellness Policy, a plan for measuring			X								#1
implementation of the local wellness policy, including designation of 1 or more											
persons within the LEA charged with operational responsibility for ensuring											
that each school fulfills the district's local wellness policy (ACSIP District Form –											
chair and co-chair)		.,									****
LEA's are required to inform and update the public about the content and		Х									#19
implementation of the local wellness policy											

 LEA's must measure periodically and make available to the public an assessment of the local wellness policy including (Triennial Assessment): Extent to which schools are in compliance with the local wellness policy (using this checklist) Extent to which the LEA's local wellness policy compares to model local school wellness policies (using the "Included in Policy?" checkbox on this form) And progress made in attaining the goals of the local wellness policy (using BMI data, SHI, and ACSIP) 			X							X
Include in the Wellness Policy, a standard for food and beverage marketing that			Х							#14
allows marketing and advertising of only those foods and beverages that meet										
the Smart Snacks nutrition requirements.										
Include in the Wellness Policy, a description of public involvement, public			Χ							# 19
updates, policy leadership, and evaluation plan.										
Ark 6.06.5 The Wellness Committee shall review and make written			Х		х		Х	Х		
recommendations to the district's Child Nutrition Director regarding the										
district's school meal menus and other foods sold in the cafeteria.										
*District's Child Nutrition Program will provide the district Wellness Committee										
information on the requirements and standards of the National School Lunch										
Program (NSLP), and menus for the NSLP and other foods sold in the school										
cafeteria on a QUARTERLY basis.										
Ark 6.02 The **school nutrition and physical activity advisory committee will h	-				-			physica	ı	
activity and assist in the development of local policies that address issues and	goals, i	ncludin	g, but	not lim	ited to	the foll	owing:			
Ark 6.02.1 Assist with the implementation of nutrition and physical activity			Χ		Х		Χ	Х		
standards developed by the school nutrition and physical activity advisory										
committee with the approval of the Arkansas Department of Education and the										
State Board of Health (The Rules Governing Nutrition, Physical Activity, and										
BMI – updated May 2016, including Federal Smart Snack Regulations)										
Ark 6.02.2 Integrate nutrition and physical activity into the overall curriculum	Х
