1:1 LEGAL STATUS OF THE BOARD OF DIRECTORS

By the authority of Article 14 of the Arkansas Constitution, the General Assembly has provided that locally elected school boards will be responsible for the lawful operation and maintenance of its local schools.

While the Board has a broad range of powers and duties, its individual members only have authority when exercising their responsibilities in a legally convened meeting acting as a whole. The sole exception is when an individual member has been delegated authority to represent the Board for a specific, defined purpose. In matters such as personnel discipline, expulsions, and student suspensions initiated by the superintendent, the Board serves as a finder of fact, not unlike a jury. For this reason, the board should not be involved in or, to the extent practicable, informed of the facts or allegations of such matters prior to a board hearing or those disciplinary matters in which the Board could become involved.

It is the policy of the Cabot School Board that its actions will be taken with due regard for its legal responsibilities and in the belief that its actions shall be in the best interests of its students and the District as a whole.

1:2 BOARD ORGANIZATION and VACANCIES

The Board shall elect a president, vice president, and secretary at the first regular meeting following the annual school election. In the case of a runoff election, the officers shall be elected at the first regular meeting following the runoff election. Officers shall serve one-year terms and perform those duties as prescribed by policy of the Board.

By resolution adopted by majority vote, the board of directors shall designate one (1) of its members who shall serve as the primary board of directors disbursing officer of the school district. This resolution shall be filed with the county treasurer and the Director of the Department of Finance and Administration.

When the position of an officer of the board becomes vacant, the officer's position shall be filled for the remainder of the year in the same manner as for the annual election of officers after the annual school election. Election of Board officers shall not occur except on a once per year basis or to fill an officer vacancy.⁴

Vacancies

A vacancy shall exist on the Board if a board member:

1. Moves his or her bona fide permanent residence outside the boundaries of the school district;
2. Fails to physically attend three (3) consecutive regular meetings of the school district board of directors;
3. Fails to physically attend six (6) regularly scheduled board meetings of the school board of directors in a calendar year;
4. Fails to receive the mandatory hours of training within the statutory time period;
5. Is convicted of a felony;
6. Is called to active military duty;
7. Has served a full-length term as a holdover and has not subsequently been elected to another term;⁵
8. Resigned from the school board of directors; or
9. Dies.

If credible evidence of a vacancy existing due to numbers 1 through 4 is presented to the president, vice president, or secretary of a school district board of directors, a majority of the members of the school district board of directors shall:

- Vote on whether to appoint an independent investigator to investigate the credible evidence presented; and
- Hold a hearing on the existence of a vacancy.⁶

A vacancy does not exist for numbers 2, 3, and 4 if the reason for the member's absences or failure to receive training is either:

- a) Military service of the board member; or
- b) Illness of the board member that is verified by a written sworn statement of the board member's attending physician.

When a vacancy occurs on the board of directors, a successor to a vacated position shall be appointed:

- I. If at least a quorum of the Board remains, by the remaining Board of Directors within thirty (30) days for vacancies resulting from numbers 1 through 8 above and up to sixty (60) days for vacancies due to the board member's death; or
- II. If less than a quorum of the Board remains or the Board fails to fill the vacancy within the time permitted, by the county quorum court.

The successor to a vacant position must be registered to vote in the District, and if applicable, reside in the zone of the vacant position.

When a vacancy on the Board resulted from a board member's failure to receive the required training within the statutory time period, the board shall not appoint the individual who failed to receive the required training to fill the vacancy.

Except for a temporary vacancy due to military service, an individual appointed to fill a vacancy shall serve until the annual school election following the appointment. An individual appointed to fill a temporary vacancy due to military service shall serve until either the Board member who has been called to active military service returns and notifies the Board secretary of his/her desire to resume service on the Board or the Board member's term expires. If a Board member's term expires while the board member is on active military duty, the board member may run for re-election; if re-elected, the re-elected Board member's temporary vacancy shall be filled again in the manner prescribed in this policy.

The county clerk shall be notified of an appointment to the school district board of directors within five (5) days of the appointment being made. The notice shall include the name of the appointed board member and the expiration date of his or her term.

An individual appointed to fill a vacancy must submit proof of having received the oath of office to the county clerk before the individual may assume any duties.

The following shall be the guidelines for policy adoption for the Cabot School District.

General Policies

Policies which are not personnel policies may be recommended by the Board or any member of the Board; by the Superintendent, Assistant Superintendent, any other administrator or employee of the District; committee appointed by the Board; or by any member of the public. Policies adopted by the Board shall be within the legal framework of the State and Federal Constitutions: appropriate State and Federal statutes; State rules; Federal regulations; and court decisions.

Personnel Policies

Personnel policies (including teacher salary schedules) shall be created, amended, or deleted in accordance with State law:

(1) Board Proposals:

The Board may propose a personnel policy by a majority vote. Such policies may be presented to the Board by a Board member or the Superintendent. The Board may choose to adopt the proposal, as a proposal only, by majority vote.

Following the adoption of a proposed personnel policy, the proposal must be presented to the Personnel Policy Committee. Such presentation should be done in writing, to all members of the Committee.

When the Personnel Policies Committee has been in possession of the proposal for a minimum of ten (10) working days (i.e., ten weekdays, not including weekends or state or national holidays), the Board may vote to adopt the proposal as a policy.

(2) Personnel Policies Committee Proposals:

The Personnel Policies Committee may recommend changes in personnel policies to the Board. When making such a proposal the Chairman of the Personnel Policies Committee, or the Chair's designee, may make an oral presentation to the Board.

Effective date of policy changes:

All personnel policy changes enacted during one fiscal year will become effective on the first day of the following fiscal year, July 1. This specifically includes any changes made between May 1 and June 30 to ensure compliance with state or federal laws, rules, or regulations or the Division of Elementary and Secondary Education Commissioner's Memos. In addition, changes to policies to maintain compliance with state or federal laws, state rules, federal regulations, or Commissioner's Memos that are after June 30 but are adopted within ninety (90) days from the effective date of the legal change that created the need for the policy adoption shall become effective on the final date of adoption.

Changes made to licensed personnel policies between May 1 and June 30 that are **not** made to ensure compliance with state or federal laws or regulations will take effect on July 1 of the same calendar year provided no later than five (5) working days after final board action, a notice of the change is sent to each affected employee by electronic mail to the address on record in the personnel file. The notice of the change must include:

- a. The new or modified policy or policies provided in a form that clearly shows the additions underlined and the deletions stricken;

The rescission must be in the form of a letter of resignation within the thirty (30) day period.

Except for policy changes to ensure compliance with changes in the law that are adopted within the ninety (90) day window, for a policy change to be made effective prior to July 1 of the following fiscal year, a vote must be taken of the appropriate Personnel Policies Committee. If the affected PPC approves the earlier effective date by a majority vote, the policy becomes effective as of the date of the vote, unless otherwise specified by the Board in requesting such vote. No PPC vote taken prior to final board action will be considered effective to make a policy change.

All non-personnel policy changes may become effective upon the Board's approval of the change, unless the Board specifies a different date.

The District shall create, revise, and adopt a District student media policy in conjunction with the District's student media advisor(s) and appropriate District administrators.

The District's personnel policy committees shall annually review the District's student discipline policies along with State and District discipline data. Based on the committees' annual review, the committees may recommend changes to such policies to the Board of Directors.

Parents, students, and school district personnel, including teachers, shall be involved in the development of student discipline policies.

NEW HIRE OF SCHOOL BOARD MEMBER'S RELATIVE AS SCHOOL EMPLOYEE

The district shall not initially employ a present board member's family member for compensation in excess of \$5,000 unless the district has received approval from the Commissioner of the Department of Education. The employment of a present board member's family member shall only be made in unusual and limited circumstances. The authority to make the determination of what qualifies as "unusual and limited circumstances" rests with the Commissioner of the Department of Education whose approval is required before the employment contract is effective, valid, or enforceable.

1:18 DISTRICT AUDITS

The District's annual audit serves as an important opportunity for the Board of Directors to review the fiscal operations and health of the district. As such, it is vital Board members receive sufficient explanation of each audit report to enable the members to understand the report's findings and help them better understand the District's fiscal operations.

The District shall have an audit conducted annually within the timelines prescribed by law. The audit shall be conducted by the Arkansas Legislative Audit or through the audit services of a private certified public accountant(s) approved by the Board.

The Board of Directors shall review each annual audit at the first regularly scheduled board meeting following the receipt of the audit if the District received the audit prior to ten (10) days before the regularly scheduled meeting. If the audit report is received less than ten (10) days prior to a regularly scheduled board meeting, the board may review the report at the next regularly scheduled board meeting following the ten (10) day period.

The Superintendent shall present sufficient supporting/background information relating to the report's findings and recommendations which will enable the Board of Directors to direct the Superintendent to take appropriate action in the form of a motion or motions relating to each finding and recommendation contained in the audit report. Actions to be taken will be in sufficient detail to enable the Board of Directors to monitor the District's progress in addressing substantial findings and recommendations and subsequently determine that they have been corrected. The minutes of the Board's meeting shall document the review of the audit's findings and recommendations along with any motions made by the Board or actions directed to be taken by the Superintendent or designee.

The Board of Directors is responsible for presenting the audit's findings each year to the public .¹

Notes: ¹ The Standards of Accreditation (7.03.3.1) requires a report to the public by November 15, but doesn't specify it include the audits' findings. A.C.A. § 6-13-620(6)(F) requires the reporting of the audit's findings, but doesn't specify any date by which they must be reported. 1.23 ADDRESSING THE BOARD

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. Therefore, the Board may set aside time for statements by guests during regular monthly school board meetings. Such statements will not be permitted during special school board meetings. The purpose of these comments is to give community members an opportunity to provide input directly to the Board about issues that fall within the Board's authority. To fulfill this purpose, comments must be directed to the Board.

District patrons living within the school district boundaries, current employees of the Cabot School District, students, or parents/guardians of a student currently enrolled in the Cabot School District who wish to speak during the public comment portion must submit a completed request form in person at the Central Administrative Office to the Superintendent at least five (5) business days prior to the meeting of the Board. A potential speaker may only submit his/her own written request and shall not submit the requests of others. Therefore, you will be required to show a photo ID when submitting your request. The request must be sufficiently descriptive to fully assess the appropriateness of the topic of the comments. For example, requests which include topics that would operate to prejudice the Board concerning a student or personnel matter that could come before the Board for disciplinary or employment considerations or that is in conflict with other District policy or law will not be allowed. District constituents are reminded that the Board serves as a finder of fact, not unlike a jury, in matters such as student suspensions initiated by the Superintendent, expulsions, and personnel discipline. For this reason, the Board may not be involved or informed prior to a board hearing on particular student or personnel disciplinary matters.

The Superintendent shall notify the Board President of all completed requests for public comment. Speakers will be recognized based on the order that an eligible, completed request was received, giving priority first to those who have not yet had the opportunity to address the Board and second to those who have not had the opportunity to address the Board recently. The agenda for the meeting will be posted on the District website twenty-four (24) hours before the meeting, and the speakers' names will be listed on the agenda. Time will be set aside at the end of the meeting for comments from five (5) speakers. Each speaker will have a maximum of three (3) minutes to speak. He/she should limit comments to those noted in the written request. The individual speaking should not include any other speakers in the presentation. A speaker cannot ask a substitute to stand in his/her place to speak. When three (3) minutes have elapsed, the speaker should immediately end comments.

Speakers will present their comments from the podium and should address their comments to the entire Board and not to one individual Board member, the Superintendent, a staff member, or the audience. Speakers should refrain from personal attacks, vulgarities, obscenities, and threats and disruptive and abusive speech. The Board President, or his/her designee, reserves the right to stop a speaker who is not adhering to the guidelines and the remainder of that speaker's time will be forfeited. The members of the Board will listen to the speaker's presentation, but will not respond to the presenter. The Board uses the public comment period as an opportunity to listen to citizen concerns but not to debate issues or enter into a question-

and-answer session. Failure to follow the guidelines for public speaking may result in the speaker not being placed on future agendas.

Requests received that extend beyond the allotted time for public comment will not carry over to the next month. A patron should re-apply to speak at the next board meeting if time does not allow for the patron's comment at the initial board meeting and the patron still wishes to address the Board. Written requests for the next regularly scheduled board meeting will not be accepted until the first business day of the week following the previous board meeting. Requests received prior to the deadline each month will be provided to the Board for their review regardless of whether that patron is recognized to speak at the meeting.

Additionally, the Board accepts public comment at any time via email, phone, and mail and welcomes the dialogue created in those types of communication. Board members' contact information can be found on the District website.
