2023-2024 Pre-K Round-Up

Cabot Public Schools Pre-K is excited to announce **February 9, 2023** as the “**Pre-K Round-Up date**” for pre-kindergarten students registering for the 2023-2024 school year.

At the Round-Up you will:

1. Pick up a registration packet for your child.
2. Schedule an appointment to turn in the required documentation, verify residency and income information and complete the registration process.

** If you are unable to attend the Round-Up event on February 9th, packets may be picked up beginning February 10th, at your zoned elementary school or the Central Administration office @ 602 N. Lincoln St.*

At the end of your appointment, when all required documentation has been received, your child’s Pre-K registration will be complete. **Please understand this does not automatically guarantee your child a Pre-K spot.** All applicants will be notified of their status beginning in May after applications have been verified and processed. The Pre-K program is income based and a state issued sliding scale is used to determine eligibility for grant or tuition assistance.
