"The best thing about being a teacher is that it matters. The hardest thing about being a teacher is that it matters every day." -Todd Whitaker

Cabot Public Schools will be recognizing one outstanding teacher per school. Three Cabot teachers will be selected as finalists for the district. Each of the three finalists will receive an award, a cash prize and will be recognized at the end of the school year. One finalist will be named Cabot Public Schools Teacher of the Year 2026, and will be eligible for submission to the Arkansas Teacher of the Year Award.

This year, we are excited to recognize some of our outstanding classified staff who play such a vital role in our schools each day. If you know a cafeteria worker, maintenance or custodial staff member, office staff member, paraprofessional, special programs staff member, security guard, nurse, transportation worker, or anyone who goes above and beyond for our students and staff, we would love to hear about them. This is a great opportunity to shine a light on the everyday heroes who help make our schools such special places.

See the Cabot Public Schools website for details, www.cabotschools.org.
