## CURRICULUM REPORT

***Hope Squad*** – Cabot High School students Lana Slisher, Nevaeh Jordan, and Mariska Haddock shared information about Hope Squad, which is a student led organization, chosen by the student body, that offers hope, strength, and encouragement to students who are going through difficult times. The Hope Squad members are trained to work with their peers on healthy coping mechanisms and providing resources and connections for students who may need additional assistance. Hope Squad is active in the community as well, working with Leno County Safe Haven, the Medical Expo, and hosting a booth at CabotFest.

***Special Education Registered Apprenticeship Program*** – Haley Beavert, Sherri Jennings, and Jessica Baum presented information on the proposed special education registered apprenticeship program. The benefit of this program is to provide a route for paraprofessionals with a bachelor's degree to become a special education teacher without having to leave the district to student teach, which would also help with retention. The proposed salary schedule for the paraprofessional during the program is as follows:

1 <sup>st</sup> semester:	\$15 per hour
2 <sup>nd</sup> semester:	\$15.50 per hour
2 <sup>nd</sup> year:	\$16 per hour
3 <sup>rd</sup> year:	\$17 per hour
4 <sup>th</sup> year:	\$18 per hour

Completion of program and placement as a special programs teacher: \$25 per hour

The paraprofessional will be placed with a journey worker (certified teacher that holds a lead or master designation) for the program. It is proposed that the journey workers be compensated \$2500 per semester for one apprentice. Journey workers can have a maximum of two apprentices in one school year. The funding for this program comes from a grant through the Department of Labor.
