Daily Bell Schedule

First Bell: 7:50 AM

Dismissal: 3:20 PM

CHROME BOOKS

All students will receive their chromebooks from their Advisory teachers. Students will leave their Chromebooks in their advisory classes everyday. **They will no longer be coming home on a daily basis.**

Lunch Guests

We LOVE having visitors, especially for lunches. In order to eat lunch with a student, you must be listed on their emergency contact list. We have tables in the cafeteria where you are able to sit. We would love for you to come enjoy lunch and visit with your student, but please remember you may only bring food for and sit with your student. Other students will still need to eat and sit at the regular lunch tables.

Food Delivery

Outside food deliveries are NOT allowed at MSN. Those listed as emergency contacts only may bring lunch to students during their lunch time. Instructional time is a protected time, and we cannot call students out of class time to pick up their lunch.

Cell Phone Policy

According to the Student Handbook, middle school students may bring cell phones, smart watches, and other electronic devices, but must be turned off (other than pre-approved medical exemptions) and put out of sight from the time the student arrives on campus until the student leaves. Parents, we need your help! If there is an important message you need to give your child, please contact the MSN Office at 501-743-3571. All communication regarding illnesses, check-outs, transportation changes, etc need to be done through our office.

CAR RIDER PROCEDURES

Morning Drop Off

Drop off is 1 lane. Merge into one lane as you pass the front of the building. Use the lane closest to the building.

Pull as far forward as possible when dropping off your student. This allows more students to exit cars and speeds up the drop off line. Students will enter the courtyard through the gate. Drivers will continue in 1 lane to exit campus. At the exit, there are 2 lanes for entering Lincoln Street.

Afternoon Pick Up

Pick up is 2 lanes. Present your student's name card to the caller as you move forward. Students will listen for their name and go to the number called with their name. Cars will pull forward to the number called. (#1 is at the end of the awning. #12 is where the awning begins.) Students will wait until the vehicle comes to a complete stop at their number to load their car. Drivers will be directed to merge into 1 exit lane. At the exit, there are 2 lanes for entering Lincoln Street.
