

Gifted and Talented Seminars I & II

Classes are designed to push students' boundaries while cultivating their individual talents.

- Assists with improving students' PSAT and ACT scores.
- Readies students to achieve National Merit recognition, Governor's Distinguished Scholarship, and beyond.
- Guides students through researching top-tier colleges and careers that fit the students' talents, assuring that students enter into the college application process prepared.
- Gives gifted students an environment to explore their talents and to grow academically and socially with like-minded peers.

Taught by Hannah Jones - CHS Room 2413
