About Wreaths Across America

Wreaths Across America began in 2008 as a part of the Arlington National Cemetery wreath project, which was started in 1992 with the annual placement of wreaths donated by Worcester Wreath Co. Today, it is a monumental initiative, with partners like Walmart, Civil Air Patrol, the Patriot Guard Riders, the Maine State Society of Washington, D.C., and other veterans' groups participating, not to mention the tens of thousands of private citizens who sponsor wreaths for the wreath-laying ceremonies.
